## SUMMER SUCCESS

1. Play Place Summer Program was well attended and children had fun
2. Youth Urban Arts Foundation mobile studio bus was highly engaging with IMAC techs, so we will be getting them back next year
3. The area is looking tidier and people are taking more pride: Keep up the great work of litter picking and keeping our area tidy
4. Parking bays are complete on Goodenough Way/Close and Middle Close areas - still awaiting update for a date for works to resume

## GENERAL UPDATE

1. The Community centre  
Please check the handbook that was distributed for the timetable of the community centre or visit our website: [www.tollers-estate.co.uk](http://www.tollers-estate.co.uk)

- We would like to inform you that there was an attempted break in to the community centre. The combination lock had not been damaged, the wood surrounding the lock was damaged. There was no further evidence of a break in or success of entry

2. Active members of Tollers estate are weekly reporting on;

- Fly tipping
- Brick by Brick - New Build Works
- Rubbish/non collection of bins
- Anti social behaviour: people drinking excessive alcohol and leaving rubbish around the bench area near the shops on Lacey Green

Please share any photo evidence on Facebook to support the reports or report yourself using details in the handbook

## NEW CHILDREN'S PLAYGROUND

Many residents over the past 3 years have wanted a new improved playground. Tollers Estate has not had improvements or Green Fit Gym similar to play grounds in most areas of the borough.. Friends of Grange park managed to raise about £250,000 to renovate the children's playground.

We need your support to camapaign and raise money. Please submit your interest via text/call or email to the details in the GET IN TOUCH column and attend Public Meetings.
